

Dear Members of the Human Services Committee of the Connecticut General Assembly:

My name is Esther Ramirez and it would be really beneficial if I was able to access medical insurance. It is really important for us, undocumented immigrants, you all know we cannot pay a lot of money. I thank you all for considering me and thank you for all the people working hard to ensure we get medical insurance and have good health. We otherwise cannot participate in healthcare due to so many requirements and barriers. As someone who is elderly, this is really important to me, and for that I thank you all.

I stand in full support of H.B. 6616: AN ACT CONCERNING EXPANSION OF HUSKY HEALTH BENEFITS TO THOSE INELIGIBLE DUE TO IMMIGRATION STATUS.

Thank you for your time,  
Esther Ramirez
